Criteria for Entry onto the N.E.W.S. Puppy List

Only members of N.E.W.S. may advertise their puppies on this site. All enquiries regarding the litters should be made directly to the breeders at the contact details shown for each litter. Prospective owners should request all details they require regarding puppies by visiting the breeders and viewing their dogs prior to purchasing a puppy.

NEWS does not assume any responsibility for any puppy sold as a result of providing information on litters available.

Breeders must ensure the Sire and Dam of the litter are Kennel Club registered.

The Breeder will hand over the dog's registration certificate at time of sale if available, or forward it to the new owner as soon as possible. Explain any endorsements that might pertain and obtain written and signed confirmation from the new owner, at or before the date on which the dog is physically transferred, that the new owner is aware of the endorsement(s), regardless of whether or not the endorsed registration certificate is available.

The Breeder will follow Kennel Club policy regarding maximum age and number/frequency of litters

The Breeder will make sure that breeding stock has been hip scored.

The Breeder will socialise the puppies and provide written advice on continuation of socialisation, exercise and future training

The Breeder will provide written advice on feeding and worming programmes

The Breeder will provide a written record on the immunisation measures taken

The Breeder will provide reasonable post-sales telephone advice

The Breeder will commit to help, if necessary, with the re-homing of a dog, for whatever reason, throughout the dog's lifetime

Litters will be removed from the Litterbox when the puppies reach 12 weeks old unless otherwise informed.
